

McKean Community Park VETERAN'S MEMORIAL WALL

If you want to remember
your loved one
who has served in the military,
preserve their name in stone forever ...

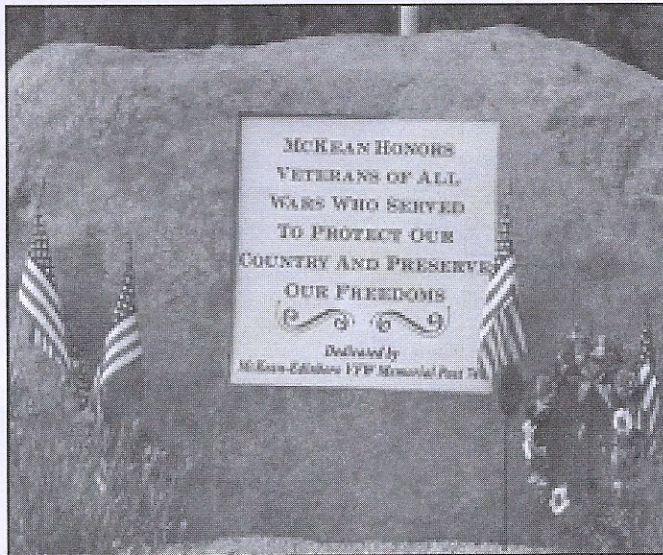

McKean Veteran's Memorial Wall Committee has been formed to build a **VETERANS APPRECIATION SERVICE WALL** at McKean Community Park, set to be built in 2011.

The wall is being built in appreciation, and recognition of the contribution of all veterans who served or who are serving to protect this country.

The wall will consist of individual veteran's names engraved on each brick and may contain the veteran's military branch information. This wall will be built behind the current Veteran's Memorial in the McKean Community Park .

We thank you for your interest and support in this wall of memory and recognition !!
